College student, Ming, takes off on his bike for a seven-day trip to circle the island of Taiwan, relying on his wits and the kindness of strangers along the way. A lyrical film composed of random encounters and small moments, *Island Etude* captures that romantic period in life when one is free to roam and seek adventure.

Taiwan's recent Hurricane has severely damaged parts of the island's landscape. Many tribes of the aboriginal people on the east coast have been totally destroyed. Therefore, we would like to take this opportunity to raise some funds to support the victims in Taiwan. Your donation for the movie will be totally donated to the victims of this hurricane. The Chinese Culture Connection (CCC) is a 501 (C) 3, non-profit organization, and your donation will be tax deductible.
